CALL FOR RESUMES
LONGLAC LUMBER INC.
Longlac, ON

- For the past 24 years, Ginoogaming First Nation has been fulfilling the duty to operate pre-employment processes, training, and hiring processes for LLI as per the First Nation's 1993 Partnership Agreement with the Buchanan sawmill/planer facility in Longlac
- Must be ready, willing, and able to work **40 hours per week** (full-time hours, 8 hours per shift)
- Must have an **operational** telephone number (this is a necessary requirement)
- Previous sawmill and/or planer experience is **not required**, but is a **preferred asset**
- Licensed OLMA (Ontario Lumber Manufacturers Association) **lumber graders** are needed
- Skilled tradespeople (Electricians, Millwrights, Heavy Equipment Mechanics) are encouraged to apply

- Successful candidates will start employment as full-time **Call-In List employees**, and will work their way up to a regularly scheduled full-time position contingent on their **willingness to attend full-time hours**

- **Training** is available for advancement into operator and other positions, as well as skilled trades positions

- All employees are members of the local union known as the **Long Lake Employees Association** (LLEA), with recent (December 2015) Collective Agreement running to 2020

- Starting wages depend on work classifications and certifications, ranging from **$16.15/hour-$25.40/hour (to be going up to $16.30/hour-$25.75/hour on December 1, 2017 and raised every December 1 thereafter as per LLEA Collective Agreement)**

- Wages may also increase **by $0.75-1.50/hour (to be going up to $1.00-2.00/hr on December 1, 2017 and raised every December 1 thereafter)** due to a Market Incentive Plan supported by the company, as per LLEA Collective Agreement (payments made on a quarterly basis, based on market value of lumber and hours worked)

How to apply?
Supply your **UPDATED** resume to the attention of:

Peter Rasevych
Economic Development Officer
Ginoogaming First Nation
(see address and fax number above)
