Background:

Formed in 1988, Matawa First Nations Management (Matawa) is a Tribal Council providing services to nine member communities in Northern Ontario. The organization is dedicated to providing its members with advisory and support services in the areas of communications, economic development, education, finance and business, health, membership and technical services.

The Matawa Education Department supports quality, accessible, community-based educational services for eight Matawa First Nation communities: Aroland, Eabametoong, Ginoogaming, Long Lake #58, Marten Falls, Neskantaga, Nibinamik, and Webeque First Nations. In addition to providing advisory services to Education Authorities and Matawa First Nation leadership, the Education Department administers post-secondary support services for 5 Matawa First Nations; operates the Matawa Learning Centre, a private secondary school located in Thunder Bay; and coordinates the Student Nutrition Program for 6 communities.
