

# What would your community like to build together?

Matawa First Nations: Regional Priorities & Jurisdiction Department

Welcome! We are so glad to be gathering with you over the course of this year's MFNM Annual General Meeting.

Since August 2018, we've been on a journey to support collaboration across communities to uplift the Mamow-Wecheekapawetahteewin (Unity Declaration) of 2011 – which is celebrating a decade this year!

As we look forward, we want to know more about **what your community would like to build together?** We invite you to:

## VISIT OUR AGM RP&J ROOM

 Everyone who visits will be entered into a daily draw for prizes!

**In-Person:** We'll be in the **Ontario Room** (2nd floor) during the AGM to chat, share how we've been supporting communities, and learn more about how we can continue the journey.

**Online:** View and engage with our materials virtually on [shorturl.at/hAS57](https://shorturl.at/hAS57) or scan me: password: MatawaAGM

## SHARE YOUR STORIES OF STRENGTH

**In-Person:** Stop by the **Family Suite - Room 318** (3rd floor) between 9am-5pm, Tues to Wed, to contribute your voice to a video on what you see as the priorities for your community and how the Matawa communities can work together.

**Online:** How do you keep your paddles in the water? Where does your strength come from? Where do you look for strength to persevere? We're gathering responses to these questions from Matawa community members. Draw prizes to be won; deadline Oct 31. Submission form: [shorturl.at/kwAY2](https://shorturl.at/kwAY2) or scan me:

What's Next

The Regional Priorities & Jurisdiction (RP&J) Department provides support and assistance to the Matawa First Nations in the areas of: Regional priorities; Jurisdiction and governance; Lands and resources; Community engagement and capacity building; and, Working group coordination (including logistical support, research and information gathering, document preparation and distribution, and government updates/current events). We work closely with, and are directed by, the Matawa Chiefs Council and community members, and also work with MFNM program managers to ensure an inclusive approach. Questions?
