JOB DESCRIPTION

Employment Community Coordinator

Purpose

The Employment Community Coordinator (ECC) assists the First Nation in the development of training and employment initiatives by accessing program funding to enhance the employment situation of the community and its members.

Scope

The Employment Community Coordinator shall assist their community membership with the employment and training strategies as set out by the KKETS ISETS Program. The Coordinator will implement programming that enhances the community situation pertaining to employment and training, and will liaise on behalf of their community members to the KKETS office regarding assistance provided to their clients as well as the status of clients served. The Officer will also establish and maintain such partnerships with the community, and Indigenous organizations.

The Employment Community Coordinator is responsible to facilitate the program objectives as they pertain to clients, including planning, employment counselling, career development, support to trainees, and promoting employment in order to secure opportunities for First Nation members.

The Employment Community Coordinator will ensure that all operations are conducted in a respectful and responsible way, ensuring that all decisions and actions meet the relevant legislation, policies, and procedures.
