

EMPLOYMENT OPPORTUNITY

Position: Environmental Technician, Four Rivers Group (FRG)

Summary: The Four Rivers Group (FRG) was initially established to support Matawa member First Nations in environmental stewardship and capacity building for resource development. Over the years, FRG has developed into a team of dedicated and enthusiastic professionals from a wide array of experiences and backgrounds. The team supports many projects and initiatives across northern Ontario. FRG strives to deliver services that are community-centered and innovative. The Environmental Technician will be assigned tasks and projects by the Manager of FRG in accordance with their expertise as well as departmental need. Their workload will be evaluated regularly and updated as needed. The Environmental Technician will assist with the delivery of Four Rivers programs through research, development, outreach, and communication initiatives

Qualifications/Requirements:

- Diploma/Degree in environmental science or engineering (or related field) or 5-10 years of experience as an Environmental Technologist (or similar background);
- A good multidisciplinary background and understanding of biology, geology, geography, and environmental studies;
- An excellent understanding of First Nations environmental issues and concerns, as well as land, resource and environmental planning;

Salary: \$ 45,000 - \$75,000
