

EMPLOYMENT OPPORTUNITY

Position: Geomatics Technician, Four Rivers Group (FRG)

Summary: The Four Rivers Group was initially established to support Matawa member First Nations in environmental stewardship and capacity building for resource development. Over the years, FRG has developed into a team of dedicated and enthusiastic professionals from a wide array of experiences and backgrounds. The team supports many projects and initiatives across northern Ontario. FRG strives to deliver services that are community-centered and innovative. The Geomatics Technician will assist with the delivery of Four Rivers programs through research, development, outreach and communication initiatives.

Qualifications/Requirements:

- Diploma/Degree in geography, environmental studies or science (or related field);
- Five or more years' experience in Geomatics preferred;
- Knowledge in Geomatics Systems, including GIS, GPS Units and cartography;
- Strong understanding of ESRI ArcGIS platforms; preference for experience with Survey 1-2-3 and ArcGIS Pro;
- Knowledge of database management systems and techniques;
- Must have a good multidisciplinary environmental background;
- An excellent understanding of First Nations environmental issues and land, resource and environmental planning;

Salary: \$50,000 - \$80,000

For additional information for the Geomatics Technician FRG position, please view the Job Description on the Matawa website:
